### *About This Program*

While every effort is made to ensure accuracy in this Commencement program, printing deadlines may result in the omission of some names and the inclusion of the names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's final academic or degree status. Final degree status is reflected on a student's transcript, and part of their permanent record, once all degree requirements are completed. Students' academic records are maintained by the Registrar.

## *President's Distinguished Service Award*

*Presented by President Eddinger to Carlos E. Santiago, Commissioner of Higher Education in Massachusetts*

The Bunker Hill Community College President's Distinguished Service Award is presented annually at Commencement to an individual who has rendered extraordinary service to our community and to the students of Bunker Hill Community College. This year's award is presented to Dr. Carlos E. Santiago, Commissioner of Higher Education in Massachusetts.

Dr. Santiago was appointed by the Board of Higher Education to the position of Commissioner of Higher Education in July of 2015. The College honors Dr.

Santiago for his steadfast commitment to equity in higher education.

Dr. Santiago holds a Ph.D. in economics from Cornell University and has held numerous academic and administration positions in higher education. Among them, he has served as Chancellor of the University of Wisconsin-Milwaukee and Provost and Chief Operating Officer of the University at Albany (SUNY). He is the author or co-author of six books and numerous articles and book reviews, and is the two-time recipient of the "100 Most Influential Hispanics in the United States" title by *Hispanic Business* magazine.

## *Trustees' Distinguished Service Award*

*Presented by Board of Trustees Chair William J. Walczak to the Bunker Hill Community College Nurse Education Department*

For the success of its collaborative leadership, steadfast resolve and decisive actions toward securing a thriving program, and in recognition of the increased success of their graduates on the NCLEX Board exam, the faculty and staff of the Nurse Education Department are the recipients of the Bunker Hill Community College Board of Trustees Service Award.

Led by Assistant Dean Donna Savino, Director Elizabeth Tobin and Associate Professor and Chairperson Kristen Wenger, under the stewardship of the Dean of Health

Sciences Maryanne Atkinson, the Nursing Program's faculty and staff have implemented high impact student success, pedagogical and post-graduate student interventions that have achieved immediate results: most notably, an NCLEX Board exam pass rate of 94% for its fall 2018 graduating class, and predictive comprehensive exams results showing that 95-100% of the fall 2019 graduating class are ready to sit and pass the board exam.

With a renewed energy and steadfast commitment to the program, its students, the institution and the nursing profession, BHCC's Nursing Program continues to build a high-quality curriculum that will produce graduates equipped to meet the growing demands of this field.

*Honors Graduates*

Gold tassels distinguish the caps of degree candidates receiving their degrees with honors. These students, the honors graduates of the class of 2019, have consistently demonstrated high academic achievement while attending the College. Honors graduates are denoted by a "\*" symbol in the program.

Cumulative Grade Point Average (GPA) used to identify Honors graduates was based on the GPA prior to the printing of the program and may not reflect final GPA. Eligibility for Honors will be reevaluated for pending graduates when GPAs are final and may be different from what is listed in this program.

*Alpha Kappa Mu Honor Society*

The Alpha Kappa Mu Honor Society is a chapter of the National Honor Society, Phi Theta Kappa. Degree candidates who are members of the Alpha Kappa Mu Honor Society can be identified by the gold Phi Theta Kappa stole worn over the regular academic gown. Alpha Kappa Mu Honor Society graduates are denoted by a "°" symbol in the program.

*Bunker Hill Community College  
Commonwealth Honors Program*

The Commonwealth Honors Program offers students from any academic discipline the opportunity to study and learn in an academically challenging and enriching learning environment. Graduates who have completed the Honors Program can be identified by a gold medallion..

## Degree Candidates

Degree candidates listed in this program have been identified as eligible to participate in the Commencement ceremony. Participation in the ceremony and/or listing in the program does not constitute conferral of degree or awarding of honors.

## *Modern Scholars in Ancient Garb*

The color and pageantry marking a college Commencement are rooted in long tradition. The caps and gowns worn by the faculty and the graduating class are also inherited from early medieval universities. Scholars of those days wore the gown and its attached hood for the dual purpose of keeping warm in the drafty, unheated buildings, and of identifying the particular clerical order to which they belonged.

### *The Gown*

The style of the modern academic gown is based on an intercollegiate code established in 1895. The gown is commonly black, differing in type according to the level of the degree held. Gowns of some American and foreign institutions are often of red and other brilliant hues.

The doctor's gown is paneled in velvet, and has bell-shaped sleeves, each trimmed with three matching velvet bars. The velvet may be black or of the color representing the field of learning in which the degree was earned.

Master's, bachelor's and associate gowns have no velvet panels or trims. Sleeves of the master's are extra long, and are open either at the forearm or the wrist. Those of the bachelor's and associate gown are pointed and are normal sleeve length.

### *The Cap*

The mortarboard cap is proper for all American degrees, and is worn both indoors and out on all occasions when gowns are used. The tassel, worn over the left front quarter of the cap, may be black or may be in a color representing the degree.

### *The Hood*

The hood is the most striking feature of the costume. Its shape, size and colors show both the degree of the wearer and the college which conferred it, so that anyone attending an academic function in America can distinguish holders of bachelor's, master's and doctor's degrees.

The shell or base of the hood is invariably black, but the lining is the color of the college or university granting the degree. As the faculty and platform party march down the aisle at Commencement, the audience will see the official colors of many colleges and universities represented in the hoods of the participants. Some of these are: Cornell University, carnelian with two white chevrons; Harvard University, crimson; Columbia University, light blue with white chevron; Tufts University, brown and blue.

College trustees or members of boards are permitted to wear a doctor's gown, but the hood they wear must designate only the degree they actually hold. The president of a college is entitled to wear a specially-designed costume. Trustees and other members of the official party, such as Marshals, may also wear specially-designed caps and gowns. At Bunker Hill Community College, the President, Trustees and Marshals appear in academic regalia which shows the colors of the College—red and white—and which designate, by the use of slight design differences, the office held.

Graduates of two-year colleges are awarded an associate in arts or associate in science degree or a certificate. Successful candidates for the associate degree and the certificate wear a bachelor's gown without a hood.

### *Divisions of the Procession*

The academic procession at Commencement is made up of three divisions: The candidates for degrees and certificates; members of the faculty; and the President of the College, the Commencement speaker, the Trustees and other dignitaries or officers of the College.

The entire company is led by the Chief Marshal bearing a mace, originally a weapon of defense and a centuries-old symbol of academic authority.

A college or university Commencement symbolizes the induction of the graduates into the guild of scholars, whose tradition reaches back through centuries of western civilization to include all those who sought learning. Graduates can take pride in participating in such an ancient and honorable rite.
