

HOPE Initiative: Spring 2021 Professional Development Series Schedule

HOPE will begin its Spring Professional Development Series. These sessions will serve as an excellent opportunity to contextualize and deepen our work at the college as we move forward. The series is comprised of two separate resources: an updated course on the *Black Minds Matter* series that has been at BHCC for a couple of years now, and a new open course through Yale University, titled *African American History From Emancipation to the Present*.

The days and times for them go as follows:
