

This Advising Guide for Health Science AA students outlines the prerequisite coursework to apply for one of the following programs within the College's Health pathways:

Nurse Education	Cardiac Sonography
Medical Radiography	Medical Laboratory Technician
General Sonography	Surgical Technology

Please note that these programs have a competitive application process and students must attend a mandatory admissions information session and complete all required admissions prerequisites before they can apply.

Students apply to specific Health pathway programs after Semester Two. Once admitted into a program, students will switch to their specific health program.

The AA Health Sciences program also satisfies all General Education requirements and the MassTransfer General Education Foundation. Students completing this associate's degree are qualified to apply for baccalaureate level health programs such as nursing, nutrition science or programs outside of health sciences.

Students interested in a career in these Health Programs should NOT enroll in the AS Biological Sciences – Medical Professions Option.

Medical Laboratory Technician Interest

Semester One

ENG111	College Writing I
BIO108	Human Biology
HUM120	Self, Culture and Society
MAT181	Statistics

Semester Two

ENG112	College Writing II
BIO203	Anatomy & Physiology I
CHM120	Principles of Inorganic Chemistry I
PSY101	Intro to Psychology

Apply to Medical Laboratory Technician Program. If not accepted into program, continue to Semesters 3 and 4 to reapply or to complete A.A. Health Science degree.

Semester Three

BIO204	Anatomy & Physiology II
CHM121	Principles of Organic and Biochemistry
LIT	Literature Elective
SOC101	Introduction to Sociology
BIO205	Microbiology

Semester Four

BIO115	Nutrition Science
HIS or PSC	Social Science Elective
Elective	Literature, Humanities, or Fine Arts
	Two additional elective courses
